Camtasia Training
Camtasia Studio 8: The Essentials

Introduction

Using Camtasia Studio 8, you can quickly create videos of just about anything (computer software or PowerPoint presentations) and post your completed lessons on the web, YouTube, Screencast.com, or burn them to a CD. Your content can include videos of actions taken on your computer, animations, audio, quizzes and surveys.

Duration: 1 day

Class size: 10 students max

Times: 9:00am - 5:00pm

Price: *Refer to our website for current course and package pricing*

After the course?

Each student will receive:

- Certificate of completion
- Training manual
- 12 months FREE email support
- FREE class re-sit (if necessary)

About The Course
